MEXICAN REVOLUTIONARY LEADER IS EXECUTED

RADICALS CONTINUE THEIR STRIKE

(By Associated Press)

New York, Nov. 26.—The Ellis Island Soviet continued its hunger strike today while the house immigration committee held a hearing in the same building on immigration and deportation problems. Seventy-three radicals, involved in the strike, were anxiously waiting to go to Soviet Russia but on strike against attending deportation proceedings, again showing a lack of interest in the morning. This was the fourth meal they had missed since adding a hunger strike to a silence strike in an effort to see visiting relatives without an iron barrier intervening between them.

New York, Nov. 26.—Byron H. Uhl, acting commissioner of immigration at Ellis Island admitted today to the House Immigration Committee investigating conditions there that privileges had been granted during the regime of former Commissioner F. C. Howe which unchecked might have led to the establishment of a "fortress for Bolshevism" on the island. Uhl, appearing before the committee when it resumed its hearing this morning made this admission after Chairman Johnson had asked if under the administration of his predecessor the island "was not a gambling house, a bawdy house and a forum of Bolshevism." In reply to further questions Uhl also admitted that previous to the resignation of Dr. Howe last September immoral women had been allowed to circulate among the other prisoners and that women had been permitted to roam about the island. He further admitted that one Chinese crew had indulged in gambling to such an extent that a seaman had lost \$3000. Following the arrival

Gen. Angeles, Famed Throughout the World as a Military Genius, Shot This Morning

(By Associated Press)

El Paso, Texas, Nov. 26.—General Felipe Angeles, Mexican revolutionary leader, and famed throughout the world as a military genius, was executed by a Carranza firing squad at Chihuahua City early today following his conviction with two companions of charges of rebellion against the Mexican government according to a telegraphic report from Chihuahua City this morning. General Angeles was sentenced to death by four Carranza generals at 10:15 last night. He was immediately taken from the building where the trial was held through a rear entrance to await execution which was set for seven o'clock today. This is the first time he was shot according to a report reaching here.

General Angeles was entirely unmoved apparently as sentence was passed. Throughout the trial the military lead

er had presented a smiling countenance to his accusers. He was famous among military men of the world as the man who brought the French 75 millimeter gun to perfection and made it admittedly the best piece of artillery ordnance in the world. The trial was the most sensational ever held in Chihuahua City where Angeles and two companions were brought after their capture near Pajaro by state volunteer troops Nov. 10th. Four companions were captured with Angeles in a cave in a hill that faces San Tome, Mexico. Two of these already have been executed. The two remaining companions, Major De Arco and a soldier Antonio Trillo were joint defendants with their chief in the court martial. Major De Arco was also sentenced to death but his sentence was commuted to 20 years imprisonment. Trillo, a 17-year-old boy was sentenced to serve 8 years and 8 months in prison.

REFUSE TO REVOKE ASTOR INHERITANCE

(By Associated Press)

London, Nov. 26.—A bill introduced in the House of Commons today in which Viscount Astor would have been able to give up his title inherited from his father Viscount Astor was defeated by a vote of 169 to 56.

An Attractive Dining Table

always adds to the pleasure of a feast and is a source of pride to the hostess. Today we would suggest some items that will add to your pleasure of the Holidays:

COAL SITUATION HAS REACHED A CRISIS

Drastic Steps to Curtail Consumption to Be Taken and Manufacture of Coke Prohibited

(By Associated Press)

Washington, Nov. 26.—The national coal situation has reached a crisis in the view of officials here and drastic steps to curtail consumption are in contemplation. It was said today that among other steps an order prohibiting the manufacturers of coke had been prepared.

Chicago, Nov. 26.—Progress today of the national strike of bituminous coal miners was without marked development regarding the situation at the mines. The gradually decreasing fuel supply however, forced the additional closing of plants in the Middle West. In some parts of the South the coal committees requested all industries which could do so without heavy financial loss to close from this evening on—Monday—morning. Production in West Virginia today held up to the

standard maintained since the strike went into effect. With smaller quantities from the Wyoming and New Mexico mines, in Texas a few miners who had returned to work were out on a second strike today.

Another effort to agree on a basis for wage advances of bituminous coal miners was made by President Wilson's cabinet while the operators and miners marked time in their negotiations for a new wage scale. The controversy in the Cabinet centered around the proposition of Fuel Administrator Chandler that in compensating wage increases the central competitive field be taken into consideration and of Secretary Wilson that the increase to pick miners be the basis.

WILL NOT CHANGE PLANS OF U.S. DELEGATION

(By Associated Press)

Paris, Nov. 26.—Any delay which may eventually be found necessary in the exchange of ratifications required to put the German Peace Treaty into effect will not change the plans of the American Peace delegation, it was announced today. Under Secretary of State Polk and the other delegates will leave Paris on the evening of December 5th and will sail from Bremen on Dec. 6th. Only a couple of experts will be left here for the purpose of completing the work in hand. The subsequent participation by Americans in the work of the League Conference according to the view here, will probably be extremely limited unless there are indications early in the December session of the Senate that a satisfactory ratification of the treaty is in sight.

ELECT RAMSDALL DOVER'S MAYOR

Dover, Nov. 26.—Alfred T. Ramsdall, architect, Republican, was yesterday elected mayor by a margin of 52 votes over his opponent. A total of 2216 votes were cast, the largest number since Dover became a city.

The wards all went Republican except ward 6, which elected its Democratic aldermen and councilmen.

The main fight was for the office of street commissioner. In this contest, the present commissioner, John W. Worcester, was re-elected winning by 253 votes. Maurice Loun, a former commissioner, was second. Adolph Frank Carragher, an ex-service man, was third.

Those elected aldermen were: Ward 1—Luke McIlwain and N. A. Shorey; Ward 2—Joseph Porello and Harold Vetchell; Ward 3—Frank D. Willey and Charles W. Welch; Ward 4—William P. Tuff and Samuel J. McMahon; Ward 5—Sylvester Clancey and Dennis J. Hannan.

Councilmen elected were: Ward 1, John J. Brennan, Forrest J. Eastman and Charles S. Gray; Ward 2, David L. Clarke, Robert Lamb and John Pridway; Ward 3, Thomas Webb, Ralph W. Connell and Thomas J. Olin; Ward 4, Louis T. Haddon, Walter S. Jennings and Wilbur A. Henderson; Ward

6. John Durkin, George H. Grimes and Thomas Hathaway.

The vote for mayor was as follows: Ramsdall, R—Ward 1, 301; 2, 260; 3, 263; 4, 300; 5, 10; total, 1134. Worcester, D—Ward 1, 200; 2, 200; 3, 161; 4, 201; 5, 465; total 1052.

For street commissioner, John Worcester received 880 votes; Maurice Loun, 630; Frank Carragher 458; Ward 50; Welch, 51; Moore 15 and Har-

BOLSHEVIKI TROOPS TAKE TEN TOWNS

(By Associated Press)
London, Nov. 26.—General Denikin's army in southern Russia is retreating, the Bolsheviks having captured ten towns in three days and still advancing, according to wireless dispatch received here from Moscow. Bolshevik troops are entering the Ukraine, where they intend to stay the dispatch says. Admiral Kolchak's forces in Central Siberia are retreating rapidly according to the dispatch and the Bolsheviks have reached a point 87 miles east of Omsk.

The Herald publishes the local news from 24 to 48 hours in advance of its would-be competitor.

LEGISLATION TO CONTROL SALE OF LIQUOR

(By Associated Press)
London, Nov. 26.—Premier Lloyd George said today that he never had thought the introduction of prohibition in Great Britain possible even during the war, but that he was watching the American experiment. The Premier's reply to a Hungarian deputation to which he made this remark foreshadowed legislation before Christmas in connection with the control of liquor.

KITTERY

Kittery, Nov. 26.—Thanksgiving exercises were held at the Austin school this afternoon by the pupils from the several grades. The exercises were held in the large room and were attended by a number of parents and friends. The program was as follows:

Miss Emma Wentworth of Scarborough, Me., is the guest of Mr. and Mrs. Charles U. Phillips.

Mrs. Freeman Deal of Jonesport, Me., is visiting Captain and Mrs. Walter Amee.

Luther Poland, keeper at White's Back Light, is visiting relatives in Round Pond, Me.

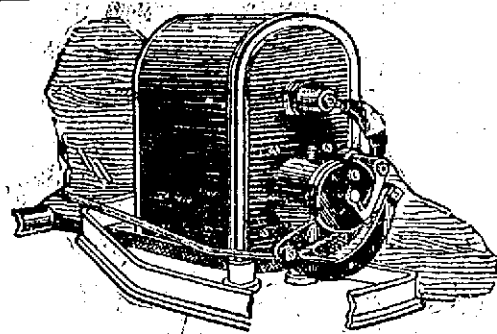

Mr. and Mrs. Keith Hutchins and two children are spending Thanksgiving day with the former's mother in Kennebunkport.

Union Bethel Mission will be held at the First Congregational church on Sunday evening Nov. 30.

Dr. Ralph Fletcher who underwent in operation at the Portsmouth Hospital on Tuesday is resting quite comfortably.

TOWBOAT SAFE AT PORTLAND MAINE

Anxiety as to the safety of the tug M. Mitchell Davis was dispelled on Wednesday morning when it was learned that the tug was safe at a dock at Portland, Me.

Does Ignition give you trouble?

Very often something besides the magneto is to blame for faulty ignition.

Frequently it's poor gasoline that fails to vaporize properly and therefore ignites reluctantly and burns slowly and incompletely.

You can easily eliminate this ignition trouble by standardizing on SOCONY Motor Gasoline. It is carefully refined and uniform in quality wherever you buy it—and you are never far away from a garage or service station that sells SOCONY.

Fill up on SOCONY and once your carburetor is adjusted for this quick-burning fuel, you are sure of plenty of power on a lean mixture that burns up completely—that gives big mileage per gallon in all weathers.

At filling time look for the red, white and blue SOCONY Sign. Every gallon the same.

COUNCIL TO HOLD SPECIAL SESSION

Concord, Nov. 26.—A special meeting of the governor and council will be held next Monday evening to complete the arrangements for providing \$1,500,000 to pay the additional bonds granted to the service men of New Hampshire at the special session of the legislature last September.

The law which was passed by the legislature does not take effect until Dec. 1, and in order to legalize the bond issue to provide the emergency funds to meet the appropriation the council and governor will hold a special session.

It is expected that during the special session of the council a committee of 10 persons will be named, as authorized by the last regular session of the legislature, to draft such a law as is proposed to make for a better observance of the Sabbath. It is expected that the committee will include several of the men who met in this city last week to attend the conference of clergymen and laymen interested in a stricter observance of Sunday.

It is a foregone conclusion that a determined effort is to be made at the next session of the legislature to prevent any attempt to legalize Sunday baseball, as much stress was laid upon this matter at the conference last week. Another phase of the proposed Sunday observance law will deal with moving pictures.

At the meeting of the governor and council Tuesday Andrew L. Pelker, commissioner of agriculture, was authorized to attend a conference of state officials to be held next week in Chicago for the purpose of planning a nation-wide campaign to combat the ravages of bovine tuberculosis.

Lieut. H. B. Heath, U. S. N.

The remains of Lieut. Harlan B. Heath, who died at the U. S. Naval Hospital were sent to Manchester, N. H., for services and interment.

Lieut. Heath who died at the age of

44 years, was one of the best known young men in Manchester. When quite a young man he was in the employ of the Amoskeag Corporation in Manchester as a machinist. He was considered an expert of his trade. At the outbreak of the Spanish-American war he enlisted in the navy and later visited many parts of the world. His health became impaired and he was retired from the service. He then returned to Manchester and resided there for a number of years. When the great war started he was recalled to service and at the time of his death was a survey officer. He is survived by a widow, Mrs. Elta B. Heath of this city, and two sisters, Mrs. Ory S. Conery and Mrs. A. Byron Whittier of Manchester.

RAILROAD MEN THREATEN A GENERAL STRIKE

(By Associated Press)

Chicago, Nov. 25.—National leaders of the four railroad brotherhoods of railroad men, held a special session today at which the leadership of several local unions that a general nationwide strike be called Dec. 1, if further increase in pay to meet the increase cost of living are not favorably voted upon. It was said that many of the railroad men in the conference believe that the strike will be necessary to secure more wages.

Kansas City, Nov. 25.—The local railroad men's union, decided today to await the action of the Conference at Cleveland before going on a strike. It was intimated that if there was a national strike the walkout of the railroad men would start in this city and then spread all over the country.

Cleveland, Nov. 25.—William G. Lee, president of the Brotherhood of Railroad Trainmen, when told of the word from Chicago, at the meeting of the four brotherhoods, said that no motion or resolution pertaining to a strike strike had come before the Council of the General Chairman and if he got word of any motion or resolution that will be presented, I received notification from Kansas City that the train and yard men would strike on the 26th unless favorable reply was received on their demand for an increase of wages. I have said to them all in reply, that if they consider themselves bigger than the United States government, which was running the railroads, then they could go ahead and strike without any more advice from me.

Cleveland, Nov. 25.—The 500 general chairmen of the four brotherhoods of railroad men, called in conference by the four chiefs, to consider the offer of Director General Hines, for time and a half for the slow freight trains and a uniform 16 hours away from their homes, voted to accept the award of the away from home, but did not act on the time and a half over time. The convention had a long discussion over the time and a half offer and it is believed that the delegates will reject this offer.

CABINET IN DEADLOCK OVER WAGE SCALE

(By Associated Press)

Washington, Nov. 25.—President Wilson's cabinet tonight appears as hopeless deadlocked on the wage increase of the soft coal miners as the miners and the operators themselves who have been unable to agree upon a wage schedule. After a six-hour session of the cabinet considering the wage scale agreement where the miners and operators left off they adjourned until tomorrow without reaching any agreement when another attempt will be made with Fuel Administrator Garfield to reach an agreement in a pay scale, which will be satisfactory to the miners, owners and the public who are clamoring for the normal production of coal.

The proper basis of calculating the proper wage advance and the ratio of the division of the subsequent increase between the operators and the public are understood to be the points of difficulty of agreement between the cabinet members. Dr. Garfield who was present took issue with Secretary of Labor Wilson as to the method of applying the figures which have been accepted by all.

The nation is facing the most serious condition since the strike started. Less than forty percent of the normal output of coal is being produced. In scores of cities the number of industries forced to close for want of fuel is rapidly increasing.

LORD GRAY DID MUCH TO SECURE PEACE

Christiana, Nov. 25.—Suggestions that the Nobel Peace Prize shall be given to Viscount Grey, the British Ambassador in Washington, is made by the Mercantile Shipping Gazette. The paper declares that Lord Grey has done more for the world's peace than any other man now living, and more than any other who has previously held the Nobel Prize, ex-president Roosevelt included.

LAWRENCE TO BE WITHOUT STREET CARS

(By Associated Press)

Lawrence, Nov. 25.—Street car service will be discontinued in this city today with the exception of a shuttle car to Lowell and one to Haverhill. The street railroad company notified

VON BERNSDORF NAME BROUGHT IN DEAN MURDER

Concord, N. H., Nov. 25.—Bert Ford, a newspaper man today, asked the Governor and Council to call a special session of the grand jury to hear the evidence that he has secured in his investigation of the death of William K.

Dean, who was killed July 1918 at his home in East Jeffrey. Mr. Ford brought into the room the name of Count Von Bernsdorff, the former German ambassador to the United States. Mr. Ford claimed that the German Ambassador was interested in East Jeffrey as early as 1916 and especially in the Hill and mountains about the village. Mr. Dean was killed after he had reported that he had seen a mysterious aeroplane and lights flashing in the mountains as in signals. Mr. Ford will be granted further hearing at a later date.

AS SEEN FROM A DIFFERENT POINT OF VIEW

Paris, Nov. 26.—"If you talk to one Rhine land German he abuses Prussia. If there are two of them they make excuses for it. If there are three, they defend it." This is a contributor's comment printed by the Echo de Paris.

FRANKLIN ELECTS A DEMOCRAT MAYOR

Franklin, Nov. 26.—Daniel H. Whitaker, democrat, was elected mayor over Harry B. Davis, republican by 34 votes in the city election here today. The city council remains republican.

Portsmouth, N. H., Wednesday, November 26, 1919.

Of Doubtful Expediency.

In different cities and parts of the country there has of late been talk of boycotting the farmers to bring down the cost of living. But whether this would be practical, or wise if it were practical, is a question. While farmers are getting good prices for their products they are not getting all that consumers have to pay, and it is argued by opponents of the boycott as a remedy for the cost of living that such action would be liable to result in driving some of the farmers out of business, thus making matters in the end worse than they are now.

That is the view taken by Dr. George M. Twitchell, a lecturer who is regarded as an agricultural authority, who in commenting on the contemplated action of the women in some Maine cities said that if such a movement were to become general the housewives would wake up some day to the fact that they had been cutting their own throats. "There is no law," said Dr. Twitchell, "which obliges a farmer to keep a cow or a hen beyond the necessities of his own family. The farmer can live independent of the Housewives' League, but the members of the League cannot live without the farmer. The result of the agitation will be to reduce the cows and hens on New England farms. No other outcome is possible, for the man is a fool who keeps on producing any crop or product at a loss."

Here is a thought that should be pondered by those who feel that a boycott on farm products would serve to reduce the cost of living, and especially should it be weighed by women who, as Dr. Twitchell says, go on without complaint spending money recklessly for hats, dresses, high-heeled boots, silk stockings and expensive underwear and entertainments. He speaks of the increasing number of automobiles and the growing demand for the more expensive makes, and says that while these expenditures are made without complaint "a howl goes up over the prices of eggs, milk and butter."

There is more truth than poetry in those words, as every observant person must be aware. There never was a time when money was spent so freely, not to say recklessly, as at present, and yet when the cost of living is considered the farmer comes in for a share of blame far beyond his deserts.

The cost of getting farm produce to the consumers comes very high in these days of big wages and short hours. At a hearing on the milk question in Chicago the other day it was testified that drivers of milk wagons average \$35 a week, in addition to which there are commissions which bring their pay up to about \$56 a week. Drivers of large trucks which supply the wholesale trade make still higher pay, some of them drawing \$80 a week.

This proves clearly that the farmer is not getting it all, and the simple fact is that he is getting nothing to which he is not fairly entitled. If the boycott would bring the middleman to terms it might serve a useful purpose, but so far as the results were to fall directly upon the farmers the movement would not only bring no relief, but would make matters worse than they have yet become.

It will be well for those who are interesting themselves in a movement of this kind to view the question from all angles before going ahead. It takes a farmer longer to get back into the harness than it does to get out of it, and at the present time the country has no farmers to spare.

The recent community donation party at the Home for Aged Women carried sunshine to the hearts of the inmates of that institution by reminding them that they are not absent from the thoughts of the good women of Portsmouth, whose attentions are so comforting to others and creditable to themselves.

The colored people of Portsmouth are preparing for a proper observance of Emancipation Day, January 1, which is a day never to be forgotten by the people of that race. There will be an appropriate program of exercises to mark the anniversary of one of the notable events of history.

There appears to be considerable versatility among the inmates of the naval prison. They not only can put on a good theatrical entertainment or concert, but can also do a little something in the way of "moonshining," much to the surprise of the prison authorities and the community.

Insanity has proved a successful defense in many murder cases; but imbecility, which is self-evident, should be no shield for the creature that sent out the false report of the death of President Wilson.

The registrars are doing their part, and it is in order for the voters to be preparing to do theirs. On the manner in which this is done depends to a large extent the welfare of the city.

NOTED INN
TO BE SOLD
AT AUCTION

Southwell, Eng., Nov. 25.—The famous Saracen's Head inn here, in which many American tourists have found entertainment, is to be sold at auction. Its history as a "hotel" runs back through five hundred years. In its early days the house was called "The King's Arms." King Charles,

the first, stayed at the inn during the Civil Wars. Charles surrendered himself to the Scottish Commissioners on May 6, 1646, in the coffee room. The bed room which that monarch used 225 years ago is still well preserved. Other English kings also stayed at the ancient hotel.

TO START FUND FOR VICTROLA

The Mothers' club of the Portsmouth Plaines is to have a sale in the near future to start a fund for a Victrola for the Plaines school.

PLAINS SOCIETY
GAVE PLEASING
PROGRAM

The Portsmouth Plaines Improvement Society gave an interesting entertainment Tuesday evening at the Plaines school house and despite the rain a good sized audience was present and all were highly pleased with the program presented. George Wiggin of the executive committee of the society presided at the gathering.

The entertainment opened with pleasing piano solos by Miss Florence Shattloworth, Daniel P. Northwick, vice president of the Plaines Association, read the address prepared by Edward P. Sherburne, the president of the Association on the history of the Plaines. Mr. Sherburne having been called out of town for the day, it was a most able address and listened to with close attention by all. Miss Susan Northwick rendered vocal solos in a praiseworthy manner. Miss Marion McIntire accompanying her on the piano.

Mr. Wood who served in the navy during the war and was on the Mt. Vernon when it was torpedoed, gave an informal talk on his experiences. He told much about the Mt. Vernon, that being the ship he served on. He spoke of the help across and the large number of troops it carried. He explained how the torpedo struck the boat and how all fully expected a second or a third one, but happily there was no more and the ship was able to return to France, being then about 425 miles away and was then placed in the dry dock.

Miss Katherine Beane, who has recently returned from seven months overseas gave a most entertaining talk on her work and experiences. Miss Beane went as a member of the Sixth College Unit, working with the Y. M. C. A. in Paris. She did sixteen weeks of work and she told much about the way the Y. M. C. A. carried on its undertakings in Paris and a large two-story building and everything possible was done to aid in war welfare work. She told of large trucks coming up to the building to take wounded men on free sight seeing trips; of the many meals served by the Y. M. C. A. the moving picture shows, dances and varied entertainments planned to divert the enlisted men. She said the Y. M. C. A. tea cream sodas were most popular as while the French do make ice cream, they sell it for a high price, while the Y. M. C. A. offered it at a small sum and service men flocked there to buy. It. Miss Beane told of going with a group of Y. M. C. A. workers to act as guides about Paris for enlisted men, visiting the Cathedral and other noted places. She also told of visiting some of the battle fields with a party of Y. M. C. A. workers before they returned from overseas. Two years' work by Miss Beane concluded the program.

NAVY YARD NOTES

U. S. Senator Keyes at Navy Yard. At 3:30 the Senator met Industrial Manager Adams, Captain H. L. Wyman, Capt. J. H. Brownell, Commander Howard Kimball, Lt. R. J. Boyd, President Phinagan of the Yard Improvement Society, Messrs. Hartford, Case, Currows and Clark of the Metal Trades. The Senator went into the various matters most thoroughly. He is making a thorough study of every item asked for. After an hour's discussion he made a brief tour of the water front.

Will Get Game by Wire. The Army and Navy foot ball game will be received play for play over a special wire in the Armory at the Charlestown yard on Saturday next. Rear Admiral Robinson, commandant of the yard has extended an invitation to all the officers at the yard and on ships to be present.

78 Cents Per Day. According to the latest from Washington, the enlisted personnel will be allowed 78 cents per day for rations.

Transferring Crews. In accordance with the rule of the

Navy Department to place an new destroyer in active service the Meredith arrived at the Charlestown yard on Tuesday and her crew will be transferred to the Shaker. Other changes contemplated is substituting the Toucan for the Bush, the Held for the Baneroff, the Brock for the Cowell and the Isherwood for the McCulla. The last two have not yet been delivered to the government.

Formerly on Duty Here.

Lieut. Comdr. James C. Kress, who was stationed at the local yard as aide to the commandant in 1911, died at the Naval Hospital, Chelsea, on Monday. He was in charge of the hydrographic office of the first naval district, when retired shortly after leaving Portsmouth. At the outbreak of the World War he was recalled and was assigned to duty overseas, as soon as the Americans landed. He was born in Pennsylvania May 21, 1877, and was appointed to the Naval Academy from that State, graduating in 1900.

A wife, a daughter of Gen. Greeley, U. S. A., survives him. They had a summer home at Conway, N. H. Their home was at 46 Shepherd street, Cambridge.

Capt. Snyder Reports.

Capt. C. P. Snyder, who is to succeed Capt. H. L. Wyman, as assistant industrial manager, reported at the yard today.

Left New York.

Twelve of the mine sweeping fleet and two tug boats left New York for the local yard for overhauling and repair.

Open December 1

The yard bowling and basket ball tournament being arranged by the athletic officer will open on Dec. 1.

Gone Back for Another Cruise. Leopold Champagne, a blacksmith residing on South street, this city, re-enlisted in the service again today for another cruise. He has already served 8 years.

Away for Holiday

Capt. Charlton of the Chaplain's Corps, and family will spend the holiday with relatives in Cambridge, Mass.

No Work Tomorrow

The yard will be closed to all but emergency work on Thursday. The ferry will make only the holiday schedule.

Only a Single Call

One shipfitter got a call in the industrial department today.

Gone to Washington

Lieut. Commander Thomas M. Osborne is on a business trip to the department at Washington.

FIRST RYE BOY TO
ENTER SERVICE

RUSSELL ELWELL

Russell Elwell, son of Mrs. Harry Philbrick of Rye, who is serving as a gunner on the U. S. S. Seattle, was the first and youngest boy to volunteer for service from Rye in the World War. He has now been in the navy four years, having previously been in the auxiliary service. He has been across 15 times. The Seattle is now on the west coast. It was the first of the American warships escorting troops to arrive in France after the Americans had entered the war. A handsome bronze statue was presented to Secretary Daniels for the U. S. S. Seattle by Ambassador Jusserand a short time ago, the gift of the city of DeGrasse in southern France.

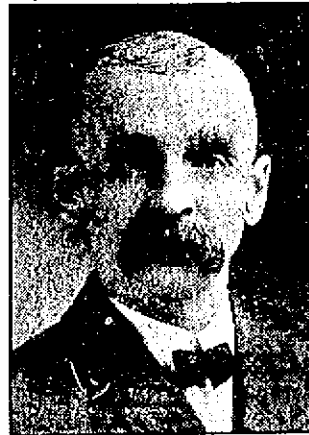

ANOTHER BOOST IN
PRICE OF SMOKES

The high cost of smoking is going higher. One of the largest retailing concerns, with branches in all parts of the country, announced yesterday that the retail prices of various popular American brands of cigarettes now retailing at 18 cents a package of 20, would be advanced to 20 cents, or something over 11 per cent about Dec. 1. The raise, it is declared is necessary to make up an increase of 80 cents a thousand in the wholesale price. Higher cost of cigarette tobacco is blamed for the advance.

Are you aware dear reader, that the news print paper is so scarce that many of the city papers may have to reduce their size and that some papers have suspended?

THUMB-NAIL SKETCHES OF PERSONS YOU
OUGHT TO KNOW

CLARENCE M. PRINCE.

Clarence M. Prince, town clerk at Kittery, has the distinction of being the oldest town official in point of service. He has looked after the business of that office for 23 years. After his first three years he was out for one term and then elected twenty consecutive years. Mr. Prince is a native of Bath, but has made Kittery his home for a half century. Forty-seven years of his life in that town he has been engaged in the grocery business, starting with the firm of Langdon & Chase in the building he still occupies. He has served as a member of the Board of Health, Republican town committeeman and parish committeeman of the Christian Church. He takes a wide interest in everything pertaining to the welfare of the town and has been a most efficient official during this long period in office.

ETERNAL
VIGILANCE IS
THE PRICE ETC.

It is true that Boston is making a tremendous drive to get our promised navy yard work. She has been assured that the Squantum plant will be maintained as an active navy base. Note this from the Post this morning:

"The Squantum plant will be a Destroyer and Submarine yard." We must keep alive to the movement to prevent any fraud on our work.

Mrs. J. Leeds Barrell

The death of Mrs. J. Leeds Barrell, for over 40 years a summer resident of

Little Bear's Head and Rye Beach, occurred recently at her home. She is survived by her husband, three sons, two daughters, also her mother, Mrs. Frances A. Lewis of Philadelphia, a well-known summer resident of Little Bear's Head.

A holiday dinner to convalescents at the naval hospital will be given at Sagamore Lodge, Little Harbor, at noon on Thanksgiving day. In the afternoon local young women will visit the lodge from 3 to 6 o'clock and assist in the holiday celebration.

There was one conversion at the Salvation Army meeting on Tuesday evening.

WILL THE PERSON seen taking the stolen bag containing boxes and other articles from the Pleasanton Savings Bank Tuesday, Nov. 25, please return to this office and no questions will be asked.

You Can Tell a Chalmers
By Its Silence

A piece of machinery, often like a great business executive, expresses efficiency in its silence.

The engine of the Hot Spot Chalmers does its work so well, offers so little complaint to its tasks that you are won at once by its modest absence of noise.

And gears, universal joint, driving shaft, differential and rear axle perform in perfect harmony with the engine.

The reason for this silence is a lack of vibration.

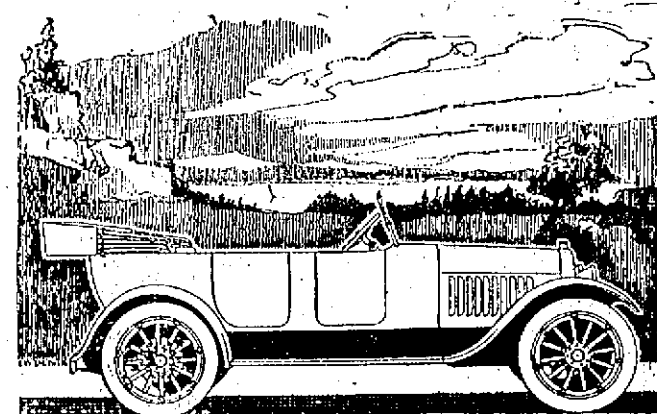

Vibration is the origin of trouble in a motor car.

Hot Spot and Ram's-Horn are the underlying causes for this absence of vibration in a Chalmers.

They "predigest" the low grade, heavier gas of the day, "pulverize" it, "take the throb out," and supply high efficiency.

You know what to expect from a talkative man or a noisy piece of machinery, but until you have ridden in a Hot Spot Chalmers you cannot guess its smoothness nor its silence.

BODIES OF AMERICANS IN IRELAND TO BE SENT BACK

Queenstown, Nov. 25.—The bodies of the Americans who fell in the war, which were interred in the cemetery here, are to be sent back to the United States. They will be exhumed and placed aboard the U. S. S. Yankton next week.

SALVATION ARMY GIVE BASKETS TO WORTHY POOR

Captain Frank Farrar of the Salvation Army, who lately succeeded Captain Lawrence in this city, is working hard for the annual Thanksgiving donations to be given the worthy poor of this city. The organization this afternoon furnished basket dinners enough to feed 250 people. Each case was investigated before the cards for baskets were given out, the recipients being either widows with families or aged people, infirm or ill. Each basket contained a chicken, potatoes, apples, plum pudding, a loaf of bread, a pie, coffee, tea, sugar, evaporated milk, can of peas, corn, tomatoes and sundries, also molasses and a squash. In each was also a "War Cry," the Salvation Army publication.

Three Salvation Army kettles are on the street for cash donations. Remember what this organization did for the boys in France during the World War and give your bit and do it as if it were a privilege and a pleasure.

MALONE ADMITS RECEIVING MONEY FROM MARTENS

(By Associated Press)

New York, Nov. 25.—Dudley Field Malone, former Collector of the Port of New York, whose name was introduced at the hearing of the Lusk Legislative committee investigating Bolshevism yesterday by Ludwig C. A. 15, Martens self-styled Soviet ambassador appeared at today's session. He informed the newspapermen that he had not been subpoenaed but that he had come to ask an opportunity to address the committee in order that he might clear his name. He admitted that he had received \$1,000 from Martens. This he said had been paid for professional services rendered when he had examined contracts which already had been placed by the "Embassy" with American concerns for purchase of goods to be shipped to Russia. He said he was not of this country, especially as his fee had been paid in cash, and that he saw nothing wrong in it. "It is a fine state of affairs," he said, "when the chief law officer of the state so far forgets the Constitution of the United States that he does not remember it permits every man whether alien or citizen to employ counsel."

day afternoon after a long illness. Mrs. King was born in this city April 16, 1810, the daughter of Mr. and Mrs. Benjamin Hodgdon. She was born in the old Hodgdon homestead off Woodbury avenue and lived a good part of her life there. She was married to Robert King in 1834 and since her husband's death has made her home on Roger street. Mrs. King was of the old school, kind and charitable in her walk, then life and active in all that was for the good of humanity. She was an active member of the Middle Street Baptist church and one of the oldest members of the Union Reformed lodge. She leaves one brother, Mr. Charles B. Hodgdon of Woodbury avenue.

The funeral services will be held at her late home, 27 Rogers street, Friday afternoon at 3 o'clock. Friends invited.

Mrs. Louisa J. West

Mrs. Louisa J. West, a former resident of this city, and widow of Edward B. West, died in Dorchester, Mass., on Saturday at the age of 82 years. The funeral was held yesterday at the home of her daughter, Mrs. A. H. Sherburne in Dorchester, Rev. Dr. Pierce officiating.

Mrs. West was a resident of State street until about 18 years ago when she moved to Dorchester to reside with her daughter by whom she is survived. Mrs. West was a most estimable lady and had many friends in this city.

Mrs. Ellen A. Tobey

Mrs. Ellen A. Tobey, wife of the late Henry C. Tobey, passed away early Tuesday morning, November 25, at her home 102 High street, Malden, Mass., after a brief illness. Mrs. Tobey had been a resident of Malden for the past 22 years, previous to which time she always lived in Elliot, Mass. Prayers at her home in Malden Thursday afternoon. Funeral services at 12:30 Friday at the Congregational church, Elliot, of which she was a member for many years. She is survived by one daughter, Mrs. Charles J. Wilder of Malden, and two brothers, George H. and Edward P. Goodwin, both of Elliot, as well as one grandson, Master Roland P. Wilder.

PERSONALS

John E. Pickering of Boston is home for the holiday.

Emerson C. Locke is passing the holidays in Maine.

C. E. Abbott and wife are in Concord to spend the holiday.

Walter L. Eastman is visiting relatives in Franklin, N. H.

W. H. Ward of Burlington, Vt. was a visitor here on Wednesday.

G. C. Holman of Rochester, N. Y., passed Tuesday in this city.

Ernest Josiah D. Hartford and wife are home to pass the holiday.

Charles Mercey of Lowell, Mass., is passing a few days in this city.

County Treasurer Stewart E. Rowe of Exeter was here on Tuesday.

Reynold Jewett of Boston is spending the holiday with his parents.

Mr. and Mrs. Robert Love of Newton, Mass., are here for the holiday.

James J. Vidon of West Medford, Mass., passed Tuesday night in this city.

Miss Margaret Garrett of Springfield, Mass., is home for the holiday week.

Edward P. Sherburne was in Boston yesterday to attend the funeral of a relative.

Mr. and Mrs. Melvin Clark of Boston will pass the holiday at their home in this city.

Frank Peyser, son of Mr. and Mrs. H. W. Peyser is spending the holiday at Sugar Hill.

Lieut. and Mrs. H. J. Boyd are passing the holiday with Mrs. Boyd's sister in West Roxbury.

Mr. and Mrs. J. A. Jones and daughter Lillian have gone to Augusta, Me., to pass the holiday.

On Thanksgiving day George W. Ham will quietly observe his 83rd anniversary of his birth.

Mr. and Mrs. John E. Harmon on Wednesday quietly observed the first anniversary of their marriage.

Mr. and Mrs. W. A. Nelson of Ansonia, Conn., are passing the holiday week with Mrs. Nelson's parents.

E. Curtis Matthews Jr., and wife have returned from a trip to Detroit, Mich., making the return trip in their "Studebaker."

Daniel N. Whitaker, who was elected mayor of Franklin, N. H., is well known in this city having been a frequent visitor here.

Mr. and Mrs. Herbert Paul of Portland are the Thanksgiving guests of her parents, Mr. and Mrs. Edward Curran of Lincoln Ave.

Boatswain Rosa Eslinger, U. S. N., and Mrs. Eslinger who arrived home from Indianapolis, Ind., Saturday, left this morning for New York where Mr. Eslinger is stationed.

The marriage of Miss Hazel Ellis, daughter of Mr. and Mrs. Frank Ellis of York Beach, and Mr. Hinecock of Worcester, Mass., will occur on Thanksgiving afternoon at the home of the bride's parents at York Beach.

Misses Grace Boyer and Elsie Roe were in Newburyport, Mass., Friday evening to witness the presentation of "The Runaways" by talent of that city. It is hoped that this may be given in this city in January. Two hundred people take part in the presentation.

on the subject of shortbread, so popular with Scotch and English folk.

"But, good as was the old-fashioned kind," remarked our hostess, "it was so extremely rich that the heavy taste lingered long after eating."

"Well," said Patsy, "there's nothing like that about the shortbread we have at our house—Lorna Doone Biscuits."

"I was talking to mother about that," said Patsy, "and she said that all the appetizing shortbread is made by the Lorna Doone Biscuit Company."

"A delightful shortbread surprise awaits you in LORNA DOONE Biscuits in which abounds all the appetizing flavor of the old-fashioned kind, with none of the over-richness. Eat them without stint. The name LORNA DOONE is on every biscuit."

Sold by the pound and in the famous Lorna Doone Biscuit Mark package.

NATIONAL BISCUIT COMPANY

Sport News

Y. M. C. A. TEAM DEFEATED AT DOVER

The basketball team of the Dover American Legion in a closely fought game on Tuesday evening defeated the Portsmouth Y. M. C. A. team by a score of 35 to 30. This was the first game of the season, and was watched by a crowd of over 400, who found not a dull moment from start to finish. Both teams put up a scrappy game, and the Dover fans think that the result augurs well for the prospects of the Dover Legionaries during the season which is just opening. The lineup:

DOVER
Hendon, rg
Butler, f
Hawker, c
Flynn, lg
Horne, rg
Goals from Hendon 2, Butler 2, Hawker 2, Flynn 2, Horne 2, A. Hickey 1, Silver 2, P. Hickey 2, Schmalzried 4. Referee—Jim Cavanaugh. Time—Four 10 and 15-minute periods.

SPORT NOTES OF INTEREST

Plenty of Basketball for this City
Looks like a big season for basketball in this city and at present teams are being organized at the navy yard, and Atlantic Corporation. The Y. M. C. A. boys started the season by playing at Dover Tuesday night. The Frank E. Baum Post, American Legion, with Dan O'Brien as manager, expects to get going next week in this city when they will probably play a team from Dover. The Legion has many good basketball players in the ranks and Manager O'Brien should be able to pick a winning combination. The women are also taking an active interest in the sport and Henry Cragen is coaching a number of the former women (P) in the armory two evenings a week. The women (P) had a first class team last season and it is possible that this team will play under the name of the newly organized branch of the American Legion. The members of the Girls club are also going in for the game. Two teams have been organized and are being coached by Albert Hickey of the Y. M. C. A. When all the basketball-shooters get busy Portsmouth is going to see many good games.

Football Season on Wane
December 1 will see the curtain ring down on football, as it had been some weeks before on baseball, horse racing, golf and tennis. Then basketball, bowling and hockey will furnish the sports, with the boxers and the grand prize fight. The American Legion posts are taking an active interest in sports which is a most promising sign for the future.

Y. M. C. A. Will Play at Rochester
The Y. M. C. A. basketball team will journey to Rochester Friday night and play with the fast team representing that city. Among the Rochester players are "Doc" Bell, Moss, Lester Harris, Frank Flynn and Archie Ham.

New Board Track at Durham
The work of building a new board track and one hundred and twenty yard straightaway was begun at New Hampshire State college a few days ago and it is expected that the entire track will be completed sometime this week. The new track is being built by student labor under the direction of the engineering department, and will be a twelve foot lap track with banks to the mile and eight feet in width. The one hundred and twenty yard straightaway, which is also a board track will be outside of this.

Lewis Changes Training Quarters
Strangler Ed Lewis' mysterious sluffing of training quarters from New York city to Rochester, N. Y., has been the cause of considerable comment. Lewis has been training at Rochester for the past ten days for his match with Zyszylo in Boston on Thursday night. Lewis asserts that every move he made was watched by the Zyszylo scouts, thus his change of training quarters.

Will Start Basketball Practice
The Portsmouth High school boys will start basketball practice next week and indications point to the fastest school team developed in this city in years. The local boys will open the season with St. Joseph's High at Manchester December 12.

Good Boxing Card at Dover
The Dover A. A. will stage a boxing show at Quampanag Park Thanksgiving afternoon. The main bill will be between Joe Desmaries, the fighting Frenchman, of Franklin and Charles Silverio of Cambridge. Silverio has come to a draw with George Robinson of Boston. The semi-final will bring together Young St. Hillaire of Somersworth and Battling Hurley of Lawrence. In the preliminary St. Lawrence

BRITT'S RALLY IN THE TWELFTH SAVES HIM

But for a great rally that Frankie Britt made in the 12th round of his battle with Joe Tiptitz of Philadelphia in Mechanics Building, Boston, last night, the referee would probably have given Tiptitz the award, instead of calling the bout a draw.

There were many among the large crowd of spectators who were of the opinion that Tiptitz should have received the decision, but the award seemed to please a majority of the fans.

The bout, which was a good one, showed that Britt has slipped back a lot from the start. Tiptitz, a dynamite stomach, the target for his left hook, and in every round he slammed many punches to that spot. He also did some stiff jabbing. In most of the rounds bawling Britt in rapid-fire fashion with both hands.

of Dover will battle with Battling Hannon.

Westergard Wants the Coin
Jean Westergard, of Brooklyn, in present located at Sturges, S. C., would like to grapple anywhere in New Hampshire. Like all other mat artists, he issues a sweeping challenge which includes Kilmie, Pinky Gardner, Joe Perrelli and others. Bill Dryden grappled with Westergard in this city a few years ago and found him easy picking.

Cross Country Run Tomorrow
On Thanksgiving morning at ten o'clock the Rockingham County cross country run will start at the local Y. M. C. A. building and cover a course of four and a half miles to the Plains and back by way of Middle street. Excellent prizes are to be given to the first five to finish.

Metro vs. Perrelli
Charlie Metro, who is now making his home in Lacombe, this state, and Joe Perrelli will perform in Lacombe on Thanksgiving evening. Metro should win.

Atlantic Bowling League Standing
The standing of the Atlantic shipyard bowling team up to date is as follows:

Team	Won	Lost
Hull	1	7
Office	5	3
Machinery	7	1
Steamfitters	1	7
Yard Force	6	2
Drafting	4	4

Renner High Man
The high score for the week at the Arcade alleys: Monday, Renner, 147; Tuesday, Kingsbury, 129; Wednesday, Ducker, 120; Thursday, Dyson, 124; Friday, Barney and Kingsbury, 117; Saturday, Smart, 132.

Perrelli and Katron Will Perform
Joe Perrelli of Brooklyn and Soldier Harry Katron of Portland, Me., will twerale at Franklin, this state Friday evening. Katron is a great favorite in Franklin where he recently went to a draw with Eugene Tremblay, lightweight wrestling champion of the world.

Wrestling a "Tough" Game
John Kilmie is still holding on to that middleweight wrestling title and on Monday night won from Moills, a Polish wrestler, at Manchester. Kilmie is the busiest wrestler in the game and performs on an average of four nights a week. John and "Bad Man" Joe Perrelli wrestle for the "championship" about twice a week, mostly through the small towns in Maine and New Hampshire. "Tough" game, this wrestling.

BOWLING
As the result of a challenge issued to the blacksmiths employed at the navy yard by the blacksmiths employed at the Atlantic Corporation, a very interesting game was bowled Tuesday night at the Arcade alleys. The navy yard bowlers proved too strong for their opponents, winning by a score of 1246 to 1182. The blacksmiths from the navy yard will have to arrange a game with the Brown Cows or disband for the season. The score:

Navy Yard Blacksmiths	Blacksmiths
Blake	78
Rockland	81
Culbertson	82
H. Managan	77
Fernald	105
Atlantic Corporation Blacksmiths	
Hartnett	87
Lesk	73
C. Managan	77
Berchman	71
Merryman	88

TIGER MONEY NOT COVERED BY CREEK A. C.

The money placed by the Tiger A. C. on the game between the foot ball team of that club and the Creek A. C. still remains uncovered, and to the hands of the Sporting Editor of the Herald. It is said that the Creek A. C. have suffered no fear through the deposit of the \$100, made by the Tigers and will play foot ball just the same on Thanksgiving day. So far it is not really known just what the lineup of either team will be but the best Portsmouth players will be found battling on both sides.

In Saturday's game with Portsmouth the Newburyport High school football team showed that it now possesses the punch that was lacking in the earlier game. The score Saturday should ensure a large attendance on Thanksgiving morning.—Newburyport News.

MORE WORK FOR THE NAVY YARD

To Be Distributing Point for All Electrical Appliances for East and West Coast.

What appears to mean much more activity and the retaining of a larger permanent force by the Supply Department of Portsmouth yard is realized as the result of persistent work on the part of the yard supply officer, Captain E. T. Arms.

It is understood that Captain Arms has received information from the department which designates Portsmouth yard as the distributing point for all navy electrical appliances needed by the entire naval establishment on shore on the east and west coast. This will mean that the local yard will have the exclusive handling of 500 or more different electrical appliances, and consequently will bring much work to the yard electrical shop. It will lead to steady employment for mechanics and others and at the same time give the Portsmouth yard an opportunity to make good its claims as to the turning out cost of the various electrical work used in the navy.

The success of Captain Arms certainly is a good bit of welcome news to the employees and departments which will be benefited by the additional work.

TALENT FROM THE ATLANTIC HEIGHTS TALKING A COMEDY

It is apparent that among the residents of Atlantic Heights, there is no end of talent in every line, especially music. It is whispered that at a later date a musical comedy or opera may be produced for a Portsmouth audience.

The residents of this section of the section of the city have never undertaken any public or private entertainment that was not a great success and there is no reason why any stage performance of this nature should not be a treat to the public.

LOSS OF THE PORTLAND

Twenty-one years ago today the steamer Portland left Boston in a blinding snow storm and was never heard from.

MANY ATTEND POVERTY PARTY AT CAFETERIA

Atlantic Supervisors' Association Conduct Novel Social Affair.

30 MANY ATTEND Cafeteria Hall at Atlantic Heights was the scene of a novel and merry gathering on Tuesday evening when the Atlantic Supervisors' Association gave a poverty party and dance which was a success beyond all expectations. There were fully 700 present and all were enthusiastic about the affair and the ingenuity of the committee in charge who had planned the novel features.

The hall was decorated prettily for the occasion. The electric lights were shaded, with crepe paper, making a pretty, soft light. Music and dancing were used extensively in the decorative effect. Turkeys, geese and chickens gave the typical Thanksgiving touch to the affair. A novel decorative effect in one part of the hall attracted much attention, this representing a room in a needy family's home. The bed was in the corner, the clothes in the wash-tub and on the line, and a figure to represent the mother of the home added the finishing touch to the picture.

Murden's orchestra furnished excellent music for dancing and the popular air was most pleasing to all. It seemed as if there were no end of originality and variety in the costumes and they created no little amusement during the grand march.

There were numerous prizes offered, the principal ladies' prize, a pig being won by Mrs. Kelley of Crescent Way, and the first prize for gentlemen, a live turkey, being won by Mr. Doby of Concord Way.

At intermission refreshments of sandwiches, fancy cakes, ice cream, coffee, cider, and tonic were served. Every one present enjoyed the novel gathering to the utmost and many stayed until the last dance.

The entire affair was in general charge of Mr. E. H. Williams assisted by Anita Dales, president of the Atlantic Supervisors' Association. Misses Poole had general charge of the decorations. J. T. Carroll was floor director, and committee on prizes. A. Dorsey and John T. Wiseman had charge of the refreshments and assisted with the prizes.

The committee deserves great credit for managing so successfully the affair and those who were present will remember it for some time.

SENATOR KEYES GIVES INTERVIEW

Senator Keyes in his flying visit from Washington to this city called on a number of his friends paying his respects to Mayor Hildon and to President Holden of the Chamber of Commerce and talked over matters in general. In speaking of the submarine work he said: "I feel practically certain that Portsmouth will get an order for part of the new fleet of subs. It is not for all of them. Of course if the (senate) board of the navy recommends that they be cut out it would have an important bearing. I do not believe this will take place but it is talked. My idea is that the yard should be equipped to build or repair any and all kinds of ships."

BURGLARS ROB MARKET STREET CLOTHING STORE

Several Overcoats and Suits Are Missing, Valued at About \$500.

The business district was visited by burglars on Tuesday night who operated successfully in the clothing store of Henry Peyser & Son on Market street, getting away with overcoats and men's suits.

Entrance was gained through a small window in the toilet which is just about large enough for a man to crawl through. Still, the burglar entered and departed through this small space. In order to get at the window, the burglar stood on some barrels or boxes to reach the roof of a bay window and worked from there. He applied the jimmy to the bottom and top of the lower sash but could not force an opening. Then he smashed the glass and removed the catch.

On the second floor this morning, one of the clerks found five empty coat hangers in the hat rack and more later were picked up in the yard, also the size and price tags near the rear of the M. C. Foye store, which the burglars took time to take off.

After working on the second floor the burglar came down stairs to the suit department and picked out four or more suits. This total amount of clothing was jessed or thrown out the small window to somebody located in the yard. No money or anything else was found to be missing when the clerks took an inventory this morning.

The parties who did the job evidently knew the movement of the police and had a man watching on Tadd street as there is only one entrance to the rear of the store which the burglars could pass in and out. A police officer coming in this passage would have them cornered.

An automobile with side curtains drawn and lights out was seen standing on Tadd street between 12 and 1 o'clock by a restaurant keeper. This machine may have figured in the robbery, but it is hard to understand why, if it was operated by the burglars, they did not load it down with stock from the store as generally is the case in robberies of such kind where an auto is used. If the burglars had no auto it was risky work walking out onto Tadd, Market or High streets with this amount of clothing, on their hands and taking a chance of running into some one on either of these streets.

The overcoats and suits are valued at about \$50 each, some of which had just been received from the manufacturers and placed on sale Monday.

Thanksgiving week is logically "Dress-Up Week." Thanksgiving being a day of entertaining or being entertained, both hosts and guests desire to appear at their best. We've all the fogs and loggery for dressing up as stylishly as anyone will be attired whom you may "meet up" with at home or out of town.

Henry Peyser & Son

Sellings the Togs of the Season.

Perfection Oil Heaters

ARE FOR SALE BY

PRYOR-DAVIS CO.

The Old Hardware Shop, 36 Market St.

Men's Footwear \$6.00 to \$12.00

The element of style, although doubtless secondary to comfort in the matter of shoes for men, is nevertheless of paramount consideration. Men who buy "Knight" shoes are assured not only a style distinction which is correct, but find their service and comfort giving qualities unexcelled. Our moderate prices are always a consideration.

FRANK W. KNIGHT

Anthracite Briquet Coal

\$10.00 Per Ton

Lowest cost fuel and easiest fire to control.

Burns all to ashes. No slate. No clinkers.

C. E. WALKER & CO.

Cor. State and Water Sts.

Tel. 236 and 237

That Indispensable Tea Cart.

A tea wagon is indispensable for entertaining. It is convenient as well as very stylish, and adds to the grace of your home. The one illustrated is only one of many in a good range of prices—the quality is our own high standard and we can suggest this cart as a most suitable addition to your home.

"Imperial" tea wagons always present some unusual feature of utility that renders them more attractive to our customers than the ordinary kind. Note the two drop leaves on this particular one, when raised it is actually converted into a little luncheon table, the tray lifting off. This adds to the serviceability of the piece.
